

**Equipment needed if air travel is required:**

**Guitar Amp:** Fender Vibro King, Twin Reverb or equivalent

**Bass Amp:** Ampeg SVT, EBS HD360 or equivalent (Speaker cabinet of the bigger kind. 8x10 inch, 4x10 inch + 1x15 inch or similar)

**Double Bass:** of ok quality, prepared with gut strings and contact microphone ready to be plugged in.  
*(Shouldn't be of the most expensive kind since the instruments is a part of a pretty rough show)*

**Drum kit:** Regular drum kit of good quality. Bass drum, tom, floor tom, bass drum pedal, drum throne and stands for snare drum, ride cymbal, crash cymbal and hi-hat.
